Modelo:

La familia de José Luis Aparicio vive en Madrid, España. Para el almuerzo, los jóvenes de la familia Aparicio comen en la cafetería de la escuela, en un café, o en un puesto de comida - no regresan a casa. Ellos comen pizza o un bocadillo. A veces comen una tortilla a la española. La familia de Señora Carmon vive en Columbus, Ohio. Para el almuerzo, las muchachas de la familia comen solamente en la cafetería de su escuela, y los padres comen en casa o en un café. En casa, ellos comen sopa, ensalada, o un bocadillo. Cuando Señora y su esposo van a Chipotle, ordenan burritos y refrescos. Cuando ellos van a Piada para el almuerzo, comen espagueti con verduras y queso.
