Design the Bulletin Board

You are in charge of the next bulletin board for our Spanish classroom! Using vocabulary from Chapters 1-4 (and even some of the earlier "units" if you want: colors, numbers, animals, etc.) design an attractive bulletin board display that will appeal to Spanish students in different grade levels. **It should teach some of the Spanish we have learned, in color, with graphics and a creative layout that make your design easy to understand.** Your design must have few errors (or none at all). If you would like to use a different piece of paper, it must be smaller than 14 x 14 inches.
