Virtual Field Trip:

Your class will take a virtual field trip on January 25-26. Choose one attraction from your trip to make into a slide on Google Slides. The slide will include a good quality picture of the attraction and a brief description of what you would like to do there (3-5 sentences). Be sure to include the name and location of the attraction. Mrs. Green will share a document with you and you can copy and paste your slide onto the slide corresponding with your class number on the slide show.

Copy and paste the slide you created into the class project. Be careful to work only on the slide corresponding with your class number. Do not delete slides or work on anyone else's slide. Do not change the font or style of the project.
